American Tire & Racing Services support NSW Late Models

NSW Late Models is proud to announce that American Tire & Racing Services will be supporting the division throughout the remainder of the 2011/12 season at Tyrepower Sydney Speedway.

American Tire & Racing Services sponsorship arrangement with NSW Late Models commences with Round 5 of the state series to be held at Tyrepower Sydney Speedway Saturday November 26.

Mark Cooper, principal of American Tire & Racing Services, is excited to be linking up with the division as it heads into the busy part of the season, highlighted by the National title at Tyrepower Sydney Speedway on January 27/28.

Mark is an ex Speedcar racer, who currently has Nathan Smees campaigning a Speedcar he owns.

A huge fan of the Late Model division, Mark was recently noticed in the pits assisting long time sedan racer Ron Pyne, after the Newcastle legend purchased his new ride from the American Tire & Racing Services proprietor.

American Tire & Racing Services is your one stop warehouse for everything and anything to do with motorsport, stocking AFCO and Advanced Racing Products, Shock Absorbers, Winters Racing Components, Chassis & parts encompassing the USA Spike Chassis and New Zealand Aggressor Chassis, Engines – specialising in USA Esslinger Engines, Fuel Safe Racing Cells, Kirkey, Willwood, Longacre, Real Wheels, Sander, and Schroeder products, just to name a few.

Business continues to expand for American Tire & Racing Services, and it now offers a Browns & Miller Plumbing service catering for full car fit-outs or one-off lines, a Torsion Bar Dyno facility, and a Shock Dyno and Repair Division (with staff fully trained in the USA at Advanced and AFCO).

American Tire & Racing Services is situated in Wetherill Park NSW, and its extensive product range, and list of services, can be found at www.americanracingtires.com

NSW Late Models look forward to a long and productive sponsorship arrangement with American Tire & Racing Services.
