

Nicastri Motorsport sign new sponsors

The 2012–13 Late Model season for the Nicastri Motorsport team just got better after the announcement of two new sponsors – Atlantic Oils and Diesel Designs.

It has been a fabulous start for Nicastri Motorsport team drivers, the father and son duo of Ross and Ben Nicastri, after they have dominated the opening two Late Model feature races at their home track, Sydney Speedway. At last month's season opener, the Nicastri's scored a historic 1-2 feature–race finish, with Ross defeating Ben, while earlier this month Ross scored back-to-back feature–race wins and Ben finished in the final spot on the podium – third.

The recent announcement of Atlantic Oils and Diesel Designs as sponsors for the Nicastri Motorsport team is a reward to the solid form they have started the new season in.

“Picking up one sponsor is hard enough in this current market, but to pick up two is very pleasing” expressed a very pleased Ross Nicastri. “Both Atlantic Oils and Diesel Designs are two motorsport orientated businesses, so the sport of speedway is a perfect fit for them. Ben and I will be doing our best to maintain the good form we've started the season in, and give them as much exposure as possible – both at the track and away from it.”

Atlantic Oils is an Ingleburn-based business, which isn't too far from the Nicastri family who reside in Camden. Further information about Atlantic Oils can be found at their website: www.atlanticoil.com

The Newcastle-based Diesel Designs specialise in custom helmet designs. To find out more about Diesel Designs visit their website: www.dieseldesigns.com.au

Lismore Speedway in Northern NSW is the next scheduled appearance for the Nicastri Motorsport team this Saturday night (November 17).

Atlantic Oils and Diesel Designs join current sponsors: Frank's Auto Parts, American Tire & Racing Services, Smithfield Diff and Gears, and Bill Martin Dyno Tune.
