Nathan Disney is the 2010 NSW Late Model Champion after an adrenalin pumping drive at Brobenah Raceway Leeton (NSW) Saturday December 18.

Disney started off position two in the 20 lap Feature and clocked speeds of over 200kph as he lead every lap on his way to victory.

“The huge 900 metre Leeton track is no place for the feint hearted and I had to really be on my game” said Nathan Disney soon after winning the title.

“I knew I had to get a good start, and I did. The car got better as the race went on, but I was ever mindful of having to look after the rear tyres as well. After 20 hard laps it was really great to come around and greet the checker flag”.

“It’s the first major title I’ve won so the victory was extremely satisfying, and even more so given the almost dream run we have had this season. I just hope our current form continues on to the Gold Cup in Sydney in January and the National title at Mildura a week later”.

A few car issues earlier in the night tested the mettle of the Disney Motorsports crew.

“We got to Leeton early to put our car on display to assist the Leeton Motor Sports Club with promotion for the event, and then loaded up and headed to the track” Disney said.

“Practice proved eventful as I hit the wall tearing off the wing and the rear deck. The guys had to thrash to get us out for race one but we made it, and used the Heats to set the car up ready for the Feature”.

“I qualified in position five for the Pole Shuffle and beat Mat Crimmins, Barry Kelleher and Kevin Stow to move up to position two. That really set us up well for the Feature, and when I got the jump over pole sitter Ross Nicastrì I just went for it! Those were 20 of the fastest laps of my life, and to say I was happy after the race would be an understatement!”.

“The Disney Motorsports team has worked really hard to get to the position we now find ourselves in. I would especially like to thank Antony and Steve from Rocket, my good mate Al Atkinson, mum and dad, and Sim and Josh for the huge part they played in my NSW title win. I couldn’t have done it without any of those people”.

“I’d also like to thank our team sponsors for their loyal support, and Bruce from the Kurrajong Shell Service Station for sponsoring the title” concluded Disney.

The next race for the Disney Motorsports team is the NSW Late Models Series Round at Fire Service Plus Nowra Speedway Saturday January 1.
