Victorian Late Model Championship A-Main. 40 Laps. 24 cars maximum to start in the A-Main. The only non qualifier eligible to start in the A-Main event would be the current Victorian Champion and they would start R.O.F. in the Feature.

MOTOR RACING IS DANGEROUS

I agree to participate at this Late Model Racing Victoria Inc. (hereby known as LMRV) event and abide by the rules and regulations as per LMA rules, the Constitution and any supplementary rules and regulations of LMRV Association, the host track rules and I also hereby agree to abide by all decisions made by the Chief Steward on the night and any decision made by LMRV on the night. NOTE: LMRV and/or organisers reserve the right to change/alter race procedure at any time as deemed necessary. LMRV reserve the right to refuse a nomination; without any reason being given. Nominations are subject to LMRV conditions of entry and any applicable supplementary regulations. LMRV can provide a copy of these if required. LMRV use the point system 36, 28, 23 etc. If any car retires infield during a heat race or final, points and/or prize money will only be allocated to that car if it has completed 50% of advertised race distance and in order of any retirement. Any car that does not reach 50% of advertised race distance during a heat or final will be classed as a DNF. As per LMRV supplementary rules, any drivers new to the Late Model division are subject to a minimum 2 meeting (in any State) ROF heat starts before being deemed race competent to then enter grid draws. LMRV reserve the right to change/alter any conditions of entry or supplementary regulations at any time as deemed necessary. LMRV reserves the right to use images, names and information of all entrants and their vehicles in a variety of media platforms for the promotion of this event by LMRV or any of its authorised delegates.

By signing below, you hereby certify your acceptance of all of the above rules and conditions.
